RE: 25 lb 13 oz Tuna, (smaller)
caught on Oct. 19, 1997

Dear Mr. Marzaduri:

We regret to inform you that your catch is not heavy enough to qualify for the M-Junior class world record. The present record for this class is a fish weighing 62 lb 6 oz caught on March 30, 1997.

We want to take this opportunity to congratulate you on a very fine catch, and hope that you will again have the occasion to apply for a World Record.

Sincerely,

Stephany M. Wilken
World Record Secretary
